# FENDT

## Fendt 314 Vario 4WD TRACTOR

The Fendt 300 has a long history of serving customers globally with all the key innovations that Fendt is known for, like our Vario CVT transmission, suspension systems, and unmatched fuel efficiency, but in a more compact design. The 300 features the all-new FendtONE driver's workstation, that delivers ultimate comfort, control, and convenience.

## FENDT 516 VARIO 4WD TRACTOR

NEW Fendt 516 Vario 4WD Farm Tractor - 163 HP and loaded with features. The Fendt 500 Vario combines compact size with performance and versatility in the field, grassland and transport as well as a farm tractor. With all FendtONE functions, the compact series offers you an easy entry into guidance and system-supported documentation.

## FENDT 936 VARIO 4WD TRACTOR

NEW Fendt 936 Vario 4WD Farm Tractor - 355 HP and loaded with features! The Fendt 900 Vario series represents the pinnacle of tractor innovation, technology, and efficiency. Design quality and manufacturing excellence position this tractor in a category of its own and with the new FendtONE cab, you can elevate your operating experience to bold new levels.
